**Two Day Online Training and Capacity Building Workshop  
on  
CONSTRUCTION AND DEMOLITION WASTE MANAGEMENT**

---

**BROCHURE**

---

**DATES: 10<sup>th</sup> and 11<sup>th</sup> March 2022**

**PLATFORM: ZOOM Online Hosting**

## **ABOUT THE WORKSHOP**

The Two-Day Workshop is designed with the main aim of delivering lectures and conducting discussions on case studies. An important aspect of environmental governance is the construction waste management and therefore this programme has been designed by the law school to enhance the understanding of legal and regulatory aspects pertaining to construction and demolition waste. During the initial sessions, the focus would be on understanding the Regulatory Mechanism of the Management, Handling and Disposal of Construction Debris. Further emphasis would be on coordination and implementation of the Building Code, Building Bye-Laws, with respect to Municipalities, Real Estate Companies and other administrative agencies. The focus would be on International prescriptions on construction and demolition waste and most importantly environmental protection. Discussions on several contemporary issues and developments in the area of construction and demolition waste, law and management, both at the national and international level would be taken up. Recent judicial orders and decisions would also be deliberated upon as a part of the discussion. Resource persons from legal academia, law practitioners, activists, industry experts are chosen to deliver sessions, to make the effort inter-disciplinary. The mode of discourse is mix of lecture and discussion method. The workshop would also focus on case studies of major events followed by discussions.

Participants will have ample scope to understand the legal dimensions of environmental and other laws along with gaining insights from each other's experience during the training sessions. The sessions aim to bring to the fore multiple environmental and health challenges and possible solutions for the same. On completing the workshop, the participants will be in a position to appreciate the legal nuances of the legal and regulatory framework on construction and demolition waste management in India.

## **DELIBERATIONS ON THE FOLLOWING BROAD THEME**

- ❖ Overview of the Construction and Demolition Wastes in India
- ❖ International Prescriptions on Construction and Demolition Wastes

  - Role of Municipalities and Real Estate Companies with Administrative Agencies.
- ❖ Building Code And Building Bye-Laws - For Sustainable Future

## ABOUT NLSIU

The National Law School of India University, the Nation's premier law university, came into existence through a Notification under the National Law School of India University Act (Karnataka Act 22 of 1986). It signified the culmination of efforts by the Judiciary, the Bar Council of India, the Karnataka Bar Council, the Bangalore University and the Government of Karnataka to reform legal education and to establish a centre of excellence for legal education and research in India. The Law School has undertaken many research projects funded by the UGC, the Government of India, the Government of Karnataka, the Department of Women and Child Development, UN agencies, the World Bank, HIVOS, Department of Justice etc.

The Projects have served to strengthen research and teaching at the Law School. The National Law School of India University since its inception has taken proactive steps in organizing conferences, seminars, workshops, refresher courses and certificate courses to update academicians, law teachers, students, industry personnel in different subject areas.

## ABOUT CEERA

Centre for Environmental Law Education, Research and Advocacy (CEERA), established in 1997 is a benefactor of the Ministry of Environment, Forest and Climate Change (MoEFCC), Government of Karnataka, the Bar and the Bench in India and abroad. Building an environmental law database, effectively networking among all stakeholders, building up an environmental law community and policy research in the area of environment are CEERA's main objectives. To achieve the aforesaid, CEERA has incessantly and successfully been able to build functional and professional linkages with government agencies and non-governmental organisations in India, the South Asian Region and at International levels. CEERA annually organises, a University Grants Commission recognized, One-week Law Teacher's Refresher Course.

CEERA, has been partnering with Central Pollution Control Board in organising Training programs for the officers of various State Pollution Control Boards and other industry professionals for over eight (8) years. One of the first in India, to successfully be granted a World Bank project and thereafter being a steady choice for the Ministry of Environment Forest and Climate Change, CEERA has been entrusted with research

projects and workshops to impart training to Forest Officers, Revenue Officers, Officers of the Central Pollution Control Board and also of the Government of Karnataka. CEERA is proud to have completed a two-year Research Project granted by the United Nations Development Programme (UNDP) under the Global Environment Facility (GEF), and as one of the deliverables, organised, convened and conducted over twenty workshops at Institutions of national repute creating awareness on the Biodiversity Law and Access and Benefit Sharing (ABS) in less than 2 years. Two research publications on the scanty research area of biodiversity laws were also the outcome of this project.

CEERA has several publications in the area of environmental law, the law and public policy along with Newsletters, CEERA March of the Environmental Law, NLSIU's first e-Journal - Journal on Environmental Law, Policy and Development and manages two websites viz., [www.nlsenlaw.org](http://www.nlsenlaw.org), wherein the law and policy on Environment is regularly updated, and [www.nlsabs.com](http://www.nlsabs.com), a dedicated portal wherein the law and policy on Biodiversity Access and Benefit Sharing is updated periodically. All our publications

are duly updated on our online portal [www.nlspub.ac.in](http://www.nlspub.ac.in), which is open for subscription to all readers.
